To Whom It May Concern:

This is to state that M/s Mulmech Engineering, a sister concern of HARVE ENGINEERING COMPANY, # 315 - B, KIADB, Hebbal, Mysore - 570 016, have been our source for various items since 22 years. They have conceptualized, designed and manufactured items like Seal Ejection systems, Master Batch Cooling system , Vacuum Chamber, Air vent grinding machine etc and they continue to do so. In addition, they have been supplying us Pre form loading fixture, Quick change Extrusion Die regularly. We are pleased to note that their performance is satisfactory.
